

## Special edition 2/2007

This edition contains:

- ☞ Changeover of SN 4218 brake drums

## Changeover of SN 4218 brake drums

As already announced in the special edition 1/2007 of the BPW Info-Mail, the following brake drum versions will be changed over when the BPW ECO drum is launched. The new variants are reverse-compatible.

**Please note that we will exclusively be delivering the new versions from week 45 onwards.**

The new code numbers have the same prices as the previous versions that you are familiar with.
