

Conversion of BPW brake discs

75442301e
AM02 / 2023
10.11.2023

As part of product and variant optimisation, BPW is replacing brake discs 03.088.34.15.7 and 03.088.34.16.7 with 03.088.34.24.7.

The new BPW Original brake disc is downward compatible and fully replaces previous versions.

A mixed installation of old and new brake disc variants on one axle is permissible.

Item number old	Designation	Item number new	Designation
03.088.34.15.7	Brake disc 3709/ 9 t – ECO Plus	03.088.34.24.7	Brake disc 3709/ IBD 9–10 t ECO Plus
03.088.34.16.7	Brake disc 3709/ 10 t – ECO Plus
