BPW MAINTENANCE CONTRACTS – A COMPELLING OFFER

With our customised maintenance contracts for the entire trailer, your fleet will always be in top shape! Select the options that best meet your needs to create your personalised maintenance package and benefit from cost certainty and cost transparency while enjoying the peace of mind provided by a Europe-wide service network. At a time when prices for spare parts and hourly wages are increasing, a BPW maintenance contract offers you complete security, covering both maintenance costs and wear-related repairs.

SO HOW DOES IT WORK?

You conclude your individual maintenance contract directly with BPW and pay in fixed monthly instalments. When servicing/maintenance is required, simply visit one of the BPW partner workshops (choose from over 250 in Germany alone) to receive the highest quality service and support. The bill is settled between the workshop and BPW.
