# Born digital: the new BPW running gear configurator

**No other type of vehicle is as individual as the trailer, because every transport task requires specific running gear.** Our BPW online configurator makes configuring and ordering individually customised running gear extremely easy for designers and buyers alike.

## IMPRESSIVE BENEFITS

- › You can quickly and easily select the right components.
- › You see your current running gear configuration in a revolutionary live 3D view.
- › You can quickly access the required CAD data for the configured running gear.
- › You avoid configuration errors.
- › You have direct access to the associated technical information.
- › The weights and installation dimensions are displayed.
- › Configuration of the 'digital DNA'.

**+ See for yourself how amazingly simple, fast and efficient it is to use the configurator – just get in touch with us!**
