

The new ECO Plus Warranty.

5+3

Expect a lot.
You'll get more.

The new 5+3 years ECO Plus Warranty* with enhanced benefits.

We believe 100% in the quality of our running gear and components. That's why we've significantly extended the scope of our ECO Plus Warranty. As a result, our air-sprung ECO Plus running gear now offers you unprecedented extra security.

HOW DOES THE 5+3 YEARS ECO PLUS WARRANTY OPERATE?

For all ECO Plus warranty claims, BPW is your first port of call. Upon expiry of the standard 5-year warranty on specified parts, you can enjoy the benefits of a 3-year extension. The extension is triggered by having the relevant products inspected at the end of the 5-year period, as prescribed in any case. You simply need to keep the invoice for the inspection safe. If a warranty claim arises during the following 3-year period, we will reimburse you for the necessary repair upon presentation of the inspection invoice.*

* Scan the QR code to get the updated warranty document.

A lot can happen in 5+3 years, but a lot can be avoided as well: The new 5+3 years ECO Plus Warranty.*

Key benefits of the new 5+3 years ECO Plus Warranty at a glance:

- ▶ **New:** now includes air suspension ECO Air COMPACT, ECO Air COMPACT HD, and Airlight II in on-road and standard off-road outfits**
- ▶ **New:** now includes second-hand trailers
- ▶ **New:** 3-year warranty for brake cylinders, shock absorbers and air bags
- ▶ Unlimited mileage throughout Europe

Additional benefits of the +3-year warranty extension:

- ▶ **New:** full-service eligibility through BPW Direct Service Partners and BPW Service Centres
- ▶ **New:** simplified +3-year warranty extension with reduced maintenance work and costs

For all ECO Plus warranty claims, BPW is your first port of call. You can, of course, always rely on the customary support of our partners.

The new 5+3 years ECO Plus Warranty* – now you get more.
