

Introduction of star-shaped hub

BPW axles and chassis subject to continuous product management. BPW now launches the star-shaped hub for the agricultural axles GS 11008 and GS 11010. This newly-developed hub is reverse-compatible, meaning that the spare parts' supply is also guaranteed for BPW axles with the previous standard agricultural hub.

BPW code number	8 - hole agricultural hub	03.271.54.26.0
BPW code number	8 - hole star-shaped hub	03.271.54.89.0

BPW code number	10 - hole agricultural hub	03.271.54.27.0
BPW code number	10 - hole star-shaped hub	03.271.54.90.0
