Claim your special exhibition extra*

Depending on the number of integrated solutions you select from BPW Group companies, you can enjoy the benefits of one of the packages indicated below. The configuration you produce with Confi-Go-Mat generates an individual configuration ID. If you notify the vehicle manufacturer of this ID when you subsequently place the order, we will provide you with the special extra of your choice.

BASIC Package:

Select one of the following extras:

- BPW repair shop training, 2 days
- HESTAL strap lift system
- ADAC truck driver safety training

ADVANCED Package:

- Telematics solutions two years free of charge

With the following functions:

PREMIUM Package:

- One year's free Partner Service Package (BPW maintenance contract)

* The exhibition offer is limited.

**only in conjunction with idem truck telematics.

2 Your IAA extra
