

# Keep your fleet fit!

With the BPW maintenance contract for the **entire** Trailer.

we think transport

# A maintenance contract with BPW – a compelling offer

With a tailor-made **Partner-Service-Package** for the whole trailer your fleet will always be in top shape. Select the modules that best meet your needs to enjoy

the benefits of **cost security, cost transparency** and the peace of mind provided by a **europa-wide** service network.

## How does the contract **operate**?

You conclude an individual maintenance contract **directly with BPW** and pay a fixed monthly fee. To obtain **maintenance** services complying with the highest standards of quality and support,

you simply visit a **BPW-service partner**, of which there are more than 260 in Germany alone. Bills are settled **between the workshop and BPW**.

## Your **benefits** at a glance:

continuous cost  
certainty

absolute cost  
transparency

all-in offering

customised  
services

seamless maintenance  
documentation

reliable service  
network

## Assemble your very own **Partner-Service-Package**:

### Standard maintenance contract

Covers all wear-related **maintenance work**, including **spare parts**, and ensures low life-cycle cost. Available either for the entire trailer or only for the components underneath the chassis. **24/7 road assistance inclusive**.

**General inspection and safety checks**

**Telematics**

**Tire management and emergency service**

**Maintenance of refrigerated equipment**

## BPW is your international **MOBILITY PARTNER!**

**Get in touch** and we will help you to build a Partner-Service-Package to keep your fleet fit. You can contact us at our **service address**:
